Docket No.: 8671/87902

**AMENDMENT**

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313

Sir:

In response to the final Office Action dated 10 June 2005, applicant, through his undersigned attorneys, amends his above-identified patent application as follows and respectfully request reconsideration. Claims 1-18 have been withdrawn, claims 21-32 have been added.

**In the Claims:**

1. (Withdrawn) A thermoelectric temperature controlling device that is capable of holding one or more containers storing a substance, comprising;

a main body having at least one cylinder with a closed bottom and an open top that can accept at least one container, whereby the at least one cylinder is constructed of a thermally conductive material;

at least one heat sink operably joined to and positioned on the exterior of at least one cylinder wall;
